Sample Syllabus: Business English (Intermediate Level)

Course: Business English  
Level: Intermediate  
Who is this for: anyone wanting to communicate successfully in general business situations, including managers, sales people, account managers, and business leaders

On this course, participants will learn:

- to communicate with others in practical, business-oriented situations  
- to express themselves in English with greater fluency, accuracy and confidence  
- to handle themselves in English in a variety of business contexts, from negotiating, to using the telephone, to making presentations, to socialising

The content will be supported by systematic work on core grammatical structures, vocabulary patterns and pronunciation. Actual content depends on pre-course Needs Analysis, and is subject to on-going change as the course evolves. These are sample modules only.
